

**Press Release:**

**Finmeccanica Group Services Selects CADES as a Preferred Engineering Supplier**

**Bangalore, Nov 5<sup>th</sup>, 2008:** CADES, India's leading product design and engineering services organization announced that they have been selected as a Preferred Engineering Supplier to Finmeccanica Group Services, Shared Services Company of the Finmeccanica Group, with the mission to improve the Group's competitiveness through the contribution to support processes in the areas of purchasing, information and communication technology, energy, logistics and facility management

The selection enables CADES to support Finmeccanica Group Services on their Global Sourcing Program, aimed at selecting preferred suppliers in competitive markets.

**Mr. Dataram Mishra, MD & CEO of CADES** said, "We are privileged to be a Finmeccanica Group Services Preferred Supplier. Our experience in working with Indian & overseas companies on various aerospace and defense programs, can deliver value to Finmeccanica Group Services. We are looking forward to a long-term strategic co-operation with Finmeccanica Group Services, apart from optimizing the Capacities, Capabilities and Costs for engineering product development."

Mr. Mishra also added that the services provided under this agreement will be eligible for offset credit in India.

CADES' leadership role in providing a high-technology product design services, defining new business models and delivering global engineering services to customers has been widely acknowledged by the industry.
